November 2019 Newsletter

Horizon School Division
Principal: Bryan Pritchard

“Anyone who has never made a mistake has never tried anything new.” **Albert Einstein**

November is always an exciting time in schools for a number of reasons. Warner School is wrapping up volleyball, and the players/coaches begin to shift into basketball mode. The first round of report cards come out, and some great conversations with students and parents follow.

November is also the calm before the storm in some regards. The joys (and stress) of planning a Christmas celebration are just beginning, and the pressures on students facing Diploma exams are starting to surface. As a staff, we do our best to push our students without causing upset, and we try to promote the value of effort, sportsmanship, and leadership.

I wish all of you a happy and healthy Christmas season. If you are traveling, I wish you a safe journey.

- Bryan Pritchard, Principal

Attention parents - HOT LUNCH Tuesdays needs your support. If you can help, please email Trista.lindsay@horizon.ab.ca
Thank you very much.

Around Our School

Curling

Wow! We had so many students wanting to take curling this year! Thank you to our staff for making it possible to take on this many players.

Santa's Workshop

Warner School will once again be hosting Santa's Workshop December 10 and 11. We are looking for gently used items (or re-gifting items, or even new !). for students to purchase as gifts for their family. All proceeds from the workshop will be donated to the Warner Christmas food hampers. Donations of wrapping paper and gift bags are also appreciated. Any gift donations can be dropped off at the school. Thank you.

Japanese Club

Did you know that Warner School has a club that gets together to learn Japanese?

Thanks to Mrs Hammell, we do!

Students meet every Wednesday.

French

Students in grades 4-7 have French classes in their schedules. Learning languages is a great way to help exercise the brain, which helps in learning other concepts as students get older.

In the Community

Alumnus of the Month

Class of 1989

Glenn now resides in Lethbridge with his wife, Susan, and their 3 children. Glenn is a construction coordinator for Alberta Transportation. When Glenn isn't leaning on his shovel, he can be found at many a hockey rink, Farmers' Market, and at his childrens' school functions.

- sponsored by Mr Pritchard

If you would like to sponsor an alumnus of the month, please contact Mr Pritchard at bryan.pritchard@horizon.ab.ca, or call 403-915-7294 for details.

Italy

Easter 2021

Join us:

Warner School is delighted to have the opportunity to team up with the WR Myers Travel Club, as they plan their next major student excursion. We will be traveling to Italy during Easter Break, 2021. While this may seem like a long way off, there is a lot of work that needs to be done, so we have already begun the planning process.

Warner has already had a few students register for this amazing experience. Spaces are available, so call the school for more details.

Good day Warner School Parents.

Back by popular demand, we are teaming up with

for our annual Warner School Parent Council fundraiser.

We had great success in the past with Springbank Cheese; their products are top quality and they were very helpful and supportive with our fundraising efforts.

Springbank Cheese is operated by three generations of the Hemsworth family. They are an independent, Canadian company with decades of experience in the cheese business. The family has been in business since 1960, involved in the grading and selection of cheese from around the world. Their reputation depends on the highest standards of quality, competitive prices, and a commitment to prompt, friendly service.

The school council raises funds to help support the students and staff at Warner school. In the past our efforts have been applied to large field trips to the Calgary Zoo and Studio Bell, as well as busing costs to other smaller events. The expense of transportation has become higher each year and without our additional support field trips become harder to do.

Our fundraising for this year will be directed toward field trips; either a school wide year end trip or to various grade level trips. In addition, the bench on the playground needs to be repaired or replaced.

As always, we rely on the families and community to help make our fundraisers successful. We appreciate any level of participation!

If you have not received an order form, these can be found at the Warner School office. All forms and payments must be **returned to the school by Wednesday November 20th**.

PAYMENT IN FULL IS DUE WITH THE ORDER FORM. Please make cheques payable to the **Warner School Parent Council**.

Delivery date will be between Dec 11-16th. You will be notified when your order is ready for pick up at the Warner School.

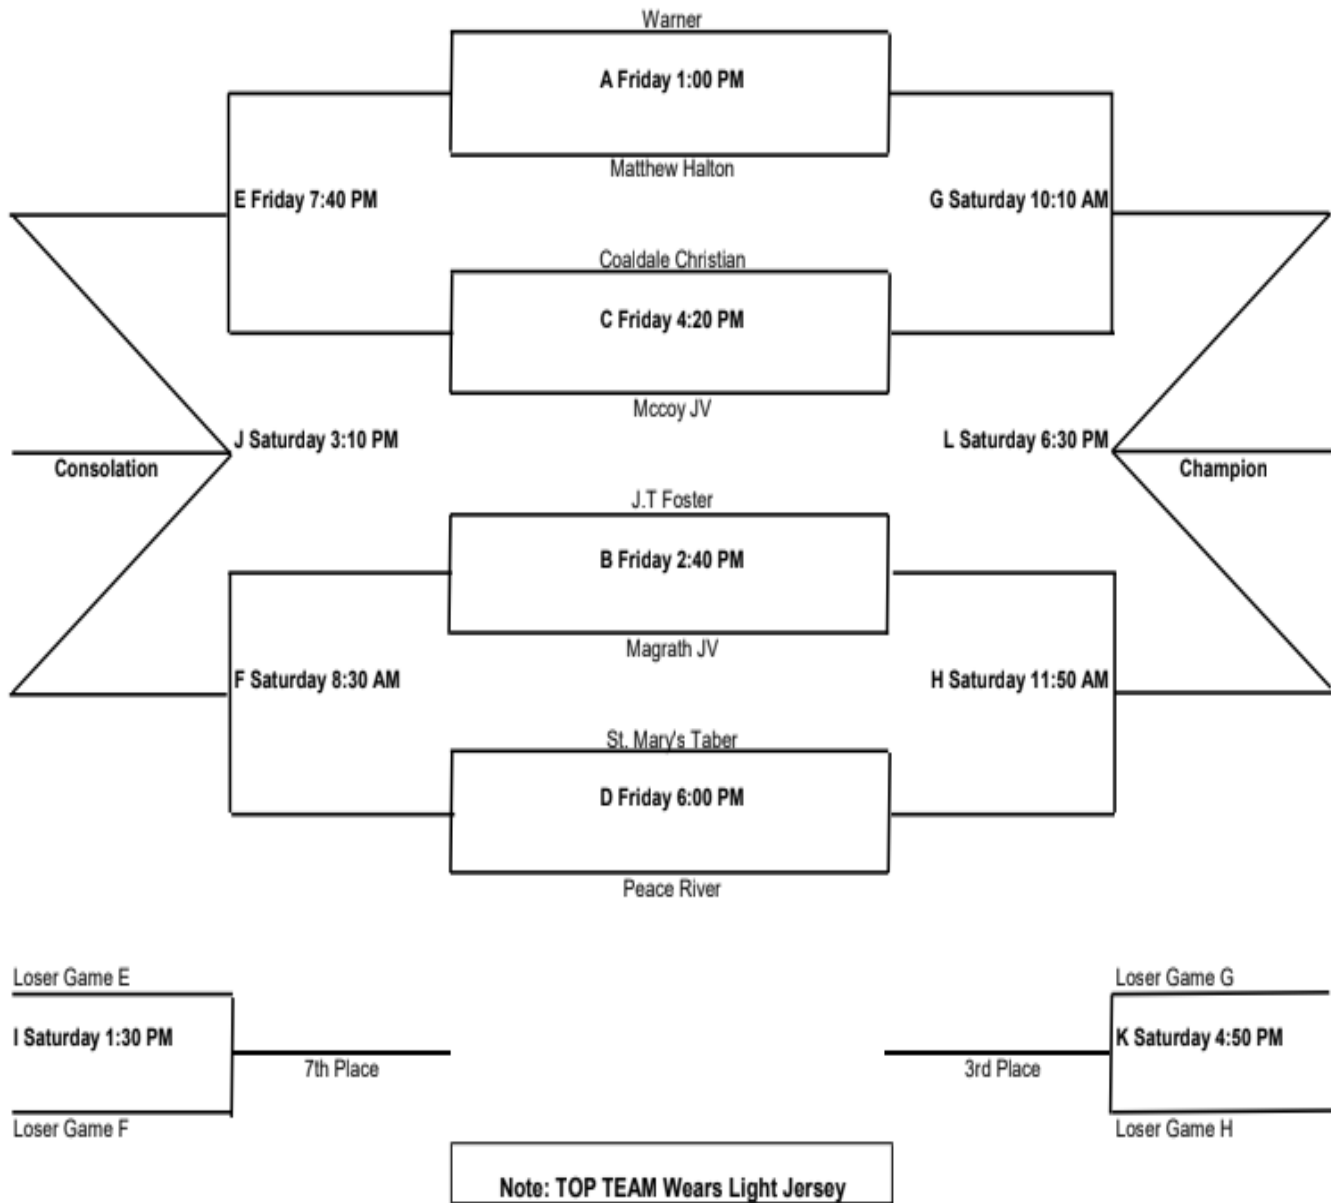

If you have any questions please contact the school, Kathy at 403-647-7652 or Penny at 403-642-3769.

Thank you in advance for all for your time and effort!
