## Alumni of the Month

This month, we have two alum for the price of one!

The Lindsay brothers attended Warner School, and both remain very invested in the Warner community.

After working for UFA and Co-op, Scott (Class of 1999) has recently opened Core Ag Inputs on the outskirts of Warner. Scott now resides in Lethbridge with his wife Maria, and two sons. He enjoys coming to Warner for work, to curl, and to visit his most excellent brother, Tyler.

Tyler Lindsay (Class of 2002) is celebrating his 36th year in Warner. He works at Triple W Gas Co-op, but his real passion is serving the community in his capacity as Mayor of the Village. Tyler has very little down time. When he isn't working, he enjoys doting on his two children, and spending time with his delightful spouse (who nominated the brothers for this recognition).

If you would like to sponsor an alumnus of the month, please contact Mr Pritchard at [bryan.pritchard@horizon.ab.ca](mailto:bryan.pritchard@horizon.ab.ca), or call 403-915-7294.

## Easter 2021

### Join us:

Warner School is delighted to have the opportunity to team up with the WR Myers Travel Club, as they plan their next major student excursion. We will be traveling to Italy during Easter Break, 2021. While this may seem like a long way off, there is a lot of work that needs to be done, so we have already begun the planning process.

Warner has already had a few students register for this amazing experience. Spaces are available, so call the school for more details.

## We are Bigger Than That!

We are pleased to be able to bring Canadian Country Music Recording Artist, Ryan Laird, to our school during his national Bigger Than That! Bullying Prevention & Youth Empowerment Tour.

Ryan Laird is known for his Top 10 Canadian hit, "I'm Your Man," and for taking a risk to make his dreams come true by putting up a billboard on Nashville's Famed Music Row asking Taylor Swift to produce his album, which led to a record deal and eventually becoming one of Sirius XM's original Highway Finds.

*A New, Engaging, Motivational Musical Program*

Ryan talks about his experience of being bullied throughout his school years, how he overcame it, and how he made his dreams come true by always believing in himself and having resiliency. He encourages every student to do the same, beginning with his own belief in each and every student he meets.
