June News

Horizon School Division
Principal: Bryan Pritchard

Happy June everyone!

The school year for Warner School is winding down. Thank you all so much for supporting our graduates with the drive past on May 28th. We want to thank the Warner Fire crew and Mr. Miller for the parade and bagpipes.

We want to thank Mr. Wenzel for his dedication and care for our students. He is moving to a position closer to his home, and we wish him nothing but the best. Thank you for the extra hours coaching, tutoring, and mentoring students.

As we look ahead, we are really hoping for a summer that helps resolve the Covid situation. We are yearning to return to athletics, to school-wide activities and festivities, and a pre March 2020 sense of normalcy. We look forward to being able to open our doors once again, and to showing you some of the changes at the school.

The fitness equipment is installed, as you may have noticed. It is great to see so many people making use of the equipment. Thank you to the Warner Community Hockey Society for your support of this project.

Thank you to everyone, as we smashed our Jump Rope for Heart goal. So far, the total raised is a bit over \$2900.00

Have an excellent summer!

Mr. Bryan Pritchard

Upcoming News

Summer School/Off Campus: Horizon School Division is offering Summer School to any students in Grades 10,11 & 12 that would like to take courses over the summer. They will also be offering Off Campus Work Experience & RAP credits as long as you have all your documents filled out prior to school ending in June. Please contact Mr. Pritchard by June 15th, if you would be interested in these. More information is available at the office.

Parent council meeting: There will be a PAC meeting on Tuesday June 8th at 6:30pm. The meeting will be done by Zoom. Please contact school if you would like to attend so that we can send you the link.

School News

Exams: With the absence of provincial exams (PAT & Diploma), Warner School has constructed an exam schedule (see the calendar attached to this newsletter). Students in grades 8-12 have some attendance options, beginning on June 14th.

-if all classwork is completed, AND parents call in each day for consent, students can come to their exam, write it, and then go home for the day.

-if classwork is not completed, students will have a study/work room available so they can get caught up. Completing their work prior to the exam is beneficial for all students).

Library: The great "Library Book Roundup" is underway! We need to have books returned before summer, so please bring all library books back to the school by Monday, June 7th.

Jump Rope for the Heart: Our Jump Rope for the Heart campaign was a tremendous success. Thanks to generous donations, Warner School was able to raise \$2924.00 for the Heart and Stroke foundation. Our top earners were Locklyn and Tate Doenz, Alex and Noah Schmaltz, and Cole Pittman. Way to Go, Warner School!

Early Learning: It has been a great year for Early Learning at Warner School. This class is the largest one we have had so far, consisting of 3 girls and 9 boys. We have enjoyed having children come join us from Raymond, Warner and Milk River. It was lots of fun and very busy!! Our last day for this school year is June 9, 2021. We hope all our students have a fun-filled summer!

The Greenhouse is coming along nicely! Lots of growth is happening, albeit slow - but it is coming! Mrs. Lagler and I have been busy transplanting little seedlings into bigger containers and they are enjoying having more room to spread their roots. There is quite a variety of plants: petunias, basil, pansies, thyme, tomatoes, sunflowers - the list goes on!
