## Principal's Report:

Happy New Year Everyone!!!

Our January calendar can be found at our website -  
<https://warner.horizon.ab.ca>

It was great to see many of you at the Christmas show. Congratulations to the door prize winners, and thank you to Warner students and staff for a fun evening.

We have a lot of events and activities planned this month, including Diploma exams, hot lunches, basketball games for both senior and junior teams, and our ski trip on Jan 26th.

Classes resumed on Jan 9th, which is one of the later January starts in recent memory, as classes broke up so close to Christmas Day. The first few afternoons were pretty long, as many students (and a few adults) were getting reacquainted to the early mornings.

High school students will see semester 2 begin on Jan 31st, and we all start shifting toward spring option classes, including textiles, archery, and more.

I hope that you had a good break. We look forward to seeing you soon.

## Upcoming events:

- High School Exam Week for Semester 1 is January 23rd-26th. Please look at the Website calendar (warner.horizon.ab.ca) for dates and times for your child's subject exams. We have a study space for students who need to attend school to study or to complete online and core courses during this time. Junior high students are expected at school each day, as their classes proceed with no final exams until June.
- **No school:** There will be *No School* on Friday, January 27th & Monday, January 30th.

## School and Parent Council News

Parent Council will hold its next meeting on Tuesday, February 7th, 2023 @5:30pm. All parents are welcome to attend.

## ***Curling***

Warner hopefully will have two curling teams in the Southern Alberta Zones: A senior boys and a senior girls team. Zones are being held at the Lethbridge Curling Club on Feb 13 and 14. Playdowns to qualify for zones will be happening in the next few weeks.

Warner School will be offering curling for the Grade 1s to 3s. This will be held during class time and all curling equipment will be provided. Dates and times are still to be determined but we are looking for parents to help out. No prior curling experience is required. If you are willing to volunteer please contact Mr. Zink at [david.zink@horizon.ab.ca](mailto:david.zink@horizon.ab.ca) or 403 642- 3931.

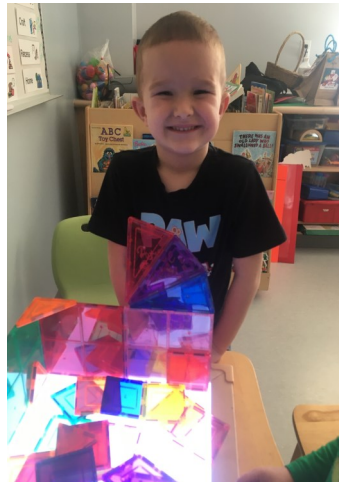

# Around Our School

In Early Learning we enjoyed many Christmas activities. The children sang well in the school Christmas concert, and we had a “indoor snowball fight” the last day before the break!

Warner School is now accepting registrations for the next upcoming school year. Early Learning is a program offered for ages 3-5 years old. Registrations are found on the Horizon website and at the Warner School.

We found some fun “Viewboard” activities to do on the frigid cold days. The children also enjoyed playing with the magnetic blocks and even did some Christmas baking too.

Below are some photos of an art project the K/1's did with Mr. Zink's calligraphy class.

# In the Community

*Thank you to everyone who donated items to this years Santa's Workshop. We had a huge number of items for students to purchase for gifts for their families. I know for many of us the Workshop gifts are the highlight of Christmas morning! Proceeds from the Workshop were donated to the community food hampers. The spirit of Christmas is alive and well in our community! Thank you and Happy New Year!*

*Warner Civic Center will be hosting a Glow Skate on January 15th from 11am-3pm. Bring your skates and helmets and they'll provide the glow sticks.*

*Please check the Village Website for upcoming public skate, and stick and shoot dates and times ([warner.ca](http://warner.ca))*

**The Warner 4-H Beef Club is doing a bottle drive fundraiser. The trailer is set-up in the Village parking lot for the month of January 2023. If you are wanting to make a donation just put your bottles, cans ect. in the marked trailer. All donations are greatly appreciated.**
