Principal: Bryan Pritchard

Principal report:

Happy February!

We have entered the second semester, and our school year is now half complete. For some of our high school students, this will be their final semester before they officially become alums. February is a short month, but it is jam-packed.

Athletics - we have not one, not two, but three main athletics programs on the go in February. Archery starts up, as several of our students take aim for provincial competition. Curling is rocking its way through February, with playdowns on the 14th and 15th. Basketball begins its final quarter, with a senior away game to Erle Rivers on Feb 6th, and a home game on the 8th, a pair of tournaments, and finally with league playoffs sometime near the 15th.

Castle Mountain hosted roughly 55 students, staff, and parents last Thursday for a ski/snowboard day, and we all returned tired and healthy, so we will call that a win.

Parent Council next meets on Feb 7th, at 5:30. The Alberta government will also be sending their annual survey to parents in early February, so watch your mail for that.

Trading cards - our position remains that school staff are not tracking or in a position to investigate if and when cards and toys from home go missing or become damaged. Students taking their items to school and outside for recess to show and share need to be responsible for the care and security of their items. We do not have the staffing, time, or other resources to track these items and who is bringing them to school.

As always, feel free to check the website warner.horizon.ab.ca for upcoming events, and feel free to drop us a line if you have any questions.

Around our School

The junior high students that did not go on the ski trip in January participated in the Egg Drop Challenge. They were tasked with designing and building a device to protect an egg from breaking when it is dropped while also creating a budget for their materials and an advertisement to promote their product. It was an egg-citing competition!
