Principal's Report:

Hello everyone, we have a busy and exciting month ahead at Warner School.

We begin the month by wishing our senior high boys the best of success at Curling Provincials. The team is headed to St Paul on March 1st, and they would like to thank the Warner and Milk River communities for their support and assistance. The link to stream/watch games can be found at this site: <https://www.asaa.ca/championships/site/2023-asaa-curling-provincials>

PARENTS - do you want to have more information and more input into what goes on at Warner School? Please know that Warner School Council Society needs your support! Please consider attending the AGM on March 13th @ 5:30 via Zoom. Email Penny at pittmanpl77@gmail.com for the invitation.

MiniBall (basketball for grades 3-4-5) runs throughout March. Warner will have two teams competing with two teams from Milk River. The format is very similar to the fall soccer league, with games on Tuesdays and Thursdays. March 9th is the first game, and they tend to begin around 4:15.

Staff Learning Days are happening on Friday, March 3rd, and Monday, March 6th, so there are no classes for students those two days.

Archery Provincials take place in Edmonton on March 16-18th, with our team of 20 Archers participating Friday evening and Saturday morning. This is a very large team this year, and we wish them the best of success.

Spring Pictures are the 21st, with spring Grad sittings happening on the 22nd. Parent/Teacher interviews are the 23rd, and Archery Zones take place on the 24th, so that is a very busy week.

Hot Lunches for March are on the website calendar at warner.horizon.ab.ca

Have a wonderful month!

Around our School

Our Senior Boys Curling Team won zones for the second year in a row. They are competing in Provincials in St. Paul on March 1,2, and 3rd. Our school sent them off with a lot of enthusiasm and cheering. They created amazing posters to show their support and excitement. **Go Warriors!!**

Early Learning

Last month in Early Learning we celebrated Valentines Day. The children loved making heart crafts and handing out Valentines to their friends.

In our dramatic play area we created a "post office" where they would create and send a Valentine note to a classmate.

When we got back from our break Mrs. B created a "cozy corner" in the classroom for kids to just "chill out." Everyone loved it.

The school is now accepting registration forms for Kindergarten and Early Learning next year. The forms can be found online @ Horizon.ab.ca or at the office.

There is a Developmental clinic offered for children ages 3-5 in Milk River on Monday April 17. You want to learn about your child's progress and Early Learning programs please preregister by contacting the Warner School office by April 5.

Around our School

The Greenhouse Crew has started little seedlings! We will be taking on the task of growing all the flowers for the Village of Warner planters! We are looking forward to this job! Stay tuned for photo updates on those.

Gr. K-3

In March we are reading various picture books for our March Madness Book competition. The K/1 students will read eight books and come up with their one favourite book. The Gr. 2/3's will also read eight books and decide which one is their favourite. Then in our final bracket we will swap books between the classrooms and vote on our favourite book for 2023!

Ask your child what their favourite book was!

Yearbook Cover Contest 2023

The time has come again, Yearbook time!
I am looking for the artist who can make the best yearbook cover! This year the winner will also receive a \$25 gift card to Chapters and \$25 in art supplies!
On top of getting the cover spot.

Get your creative and artsy minds going! This year we are looking for something very original! Don't just think Warner Warriors, or our Warner Warriors symbol, think outside the box - or school. Haha!

Color, black and white, painted, or even a photo you have taken can all be entered in the contest.

Have fun with it, if you have any questions ask Mrs. Lindsay.

Due Date: April 19th
