May News

Horizon School Division
Principal: Bryan Pritchard

Principal's Report:

Welcome to May!

May is traditionally a very busy month at Warner School, as we begin the process of government and school exams, participate in Badminton and Track and Field, and open up the final round of option classes.

Here are some of the events for May:

- Jump Rope for Heart kicks off May 1st, and runs until the 12th
- Sloppy Joe Hot Lunch May 1st
- HIGHWAY CLEANUP is May 6th - we still need volunteers (must be 9 years+)
- Subway Lunch May 9th
- Spark Fair for grades 6-7-8-9 is May 11th, in the morning.
- Raymond High School Band will perform for our K-5 students May 11th, at 10:30AM
- May 15th is Part A of the Grade 9 English PAT
- Booster Juice Lunch May 16th
- May 17th is Part A of the Grade 6 English PAT
- High School Track and Field is May 17th, in Bow Island
- May 18th and 19th - no classes for students
- May 23rd is Pita Pit lunch
- K-3 has a Dinosaur Museum trip on the 23rd
- MAY 26th, 6PM is GRAD!!!

Let's talk about GRAD! Warner has 9 worthy candidates for high school graduation this year. Watch our Social Media page for some pictures and small writeups. We are very happy to be able to host the public this year. A very unique fact about this year's class is that they all began their education journey in Warner. We will host the ceremony in the Warner School Gym.

Students are busy working on their golf game, whether Disk Golf around Warner, or fairway (hopefully) golf in Milk River. Thank you to Riverside Golf Course for their generous hosting of our students. Other students are putting together a Drama production for mid-May. Watch for future announcements on this event. Still others are learning about plants, propagation, and the (sometimes ever so short) life cycle of flowers in our Greenhouse program. If you want to come try out or help with any of our option classes, feel free to reach out to the school and we can find you somewhere to pitch in.

Looking ahead to June, watch for year end trip and exam announcements on our website at <https://warner.horizon.ab.ca/>

Have a wonderful month,
Bryan

Around our School

Upcoming events:

Graduation Ceremony: The Graduation ceremony for our class of 2023 will be held at 6pm on Friday, May 26th. Please come celebrate with us and congratulate our graduating class. Chris Brantner, Shaylie Campbell, Mataya Herget, Lehi Kyler, Ethan Nagy, Matthew Paul, Ben Pittman, Kaleb Routley, and Dawson Thomas. Way to go graduates!!

Tuesday Hot Lunch: Tuesday Hot Lunches will be on May 9,2023-Subway, May 16th– Booster Juice, and May 23rd-Pita Pit. Order forms are due back May 2,2023.

Jump Rope for Heart

Warner School will once again be participating in the jump rope for heart fundraiser. Students are encouraged to fundraise for this event. The link for the website is <https://www.jumpropeforheart.ca/>. Students discover fun ways to get active, practice healthy habits and learn about helping others by raising money to help beat heart disease and stroke. Our schools goal is to raise \$2000.00. The event will wrap up on May 12,2023 with a Jump Event Day. Please look for an email with updates and further information.

From May 1st to May 12th, our elementary classes will be jump roping each day to bring awareness, and to prepare for the Event.

Dear Parents/Guardians,

****Check email on how to register your child.**

Jump Rope for Heart is the school FUNdraising event that nobody wants to skip. Students discover fun ways to get active, practice healthy habits and learn about helping others while raising money to beat heart disease and stroke.

Be part of the movement - register today!

We recently hosted our Jump Rope for Heart kick-off assembly to launch this year's program. From now until our Jump event, students will learn fun ways to get active for heart health while raising awareness and support for Heart & Stroke.

Join our school and help Heart & Stroke save lives by jump-starting your fundraising. Here's how:

Visit jumpropeforheart.ca and click "Register" and search for our school's name or copy and paste the school link below to register right from our school page!

We love participating in Jump Rope for Heart because:

Help your child set up their fundraising page online. It's never been easier.

Students learn life-long habits:

School Page Link :

Jump encourages kids to be active and live healthily. A lesson they will value for life!

<https://jumpropeforheart.crowdchange.ca/17305>

(Copy and paste this link into your internet browser)

Kids feel good by doing good:

Kids helping kids!

Students learn the importance of giving back as they collect donations that help fund critical research that saves lives, prevents heart disease and stroke, and supports survivors and their families.

The funds kids collect supports research that helps other kids and families across the country.

Fits any time, place and activity:

Kids can move their way by jumping, dancing, wheeling and more, on their schedule, at school or home.

Dani
Was born with congenital heart disease.

Zoo
Wears a device in case her heart isn't beating.

Jump gives back:

Schools that raise a minimum of \$500 will receive 8% of their fundraising dollars back to put towards what they need most (think, sports equipment, or educational tools!) or can donate back to Heart & Stroke to make an even bigger impact.

Around our School

Early Learning

In the beginning of April we celebrated with some Easter activities. We did the “famous egg on a spoon race.” The children loved it. Then we moved onto the theme “farm .” We put brown mud on pigs, and built farm corrals from play dough. The last week we had a chicken, hen house in our dramatic play area. We were happy to have a guest speaker. A Warner High School student, Hailey Belisle, come in to our class and talk about growing up on a farm. It’s hard to believe the Early Learning school year is coming to a end. The children are loving the memories in our class and making friends.

Parent Council News

The next Parent Advisory Council meeting will be held on May 31,2023 at 5:30pm. All parents are welcome to attend the meeting.

Around our School
