March 2024 News

Horizon School Division  
Principal: Adam Hughes

## Principal's Report

I hope this message finds you well. I'm writing to share some exciting news and express our gratitude for everyone who has contributed to our recent achievements.

Firstly, I'm thrilled to report that our senior basketball team had a fantastic time at the Warrior Classic. They played exceptionally well and made us proud. A big thank you to all the sponsors who helped make the event a success. Also, we had the honor of hosting the league playoffs, which was a great experience for everyone involved. Next up, our senior team will be heading to zones at Lethbridge College next week. Let's wish them the best of luck!

In other sports news, our junior basketball team made history by winning tier 2 divisionals for the first time ever! This is a significant achievement, and I want to extend a special thank you to Coach Taylor Harvie for her dedication to both our junior and senior teams.

Our mini ball program has also started, giving our younger students a chance to play basketball. Thanks to Mrs. McMurray for organizing and to all the coaches for their help.

Our curling team continued their winning streak by winning zones for the third year in a row. Although they faced tough competition at provincials, they did us proud with their performance. Thanks to Coach Dave Zink for his support.

Looking ahead to March, we have our archery provincials coming up. Our students are eager to participate and represent Warner School.

Finally, a group of our students attended the Ag for Life Career Fair in Lethbridge, which was a valuable experience for them. Thank you to Mrs. Pittman for providing supervision and transportation.

As we move forward into March, let's continue to support each other and celebrate our achievements together.

Best regards,

Adam Hughes  
Principal  
Warner School

## *Jr. Basketball Champions*

Our Junior Basketball team made history by winning Tier 2 Divisionals for the first time ever! This is a significant achievement, and we want to extend a special thank you to Coach Taylor Harvie for her dedication. Way to go players you had an amazing season and the Championship was a well deserved win for your team. Congratulations!!

## *Curling*

Congrats to the Senior Boys Curling team who had a great showing at Provincial Curling Championships in Drayton Valley over the February break. The team finished at 2 wins/losses and narrowly missed out on a playoff spot. The team consists of Jaylen Cronkhite, Isaac Pittman, Kaden Belisle, Quinn Douglas and Abram Buhler. The boys and Mr. Zink would like to thank all of the parents who travelled with the team as well as the online watchers. They are looking forward to defending their Zone Championship again next year.

## *Mammal March Madness*

The Grade 6/7 class is participating in the Mammal March Madness in Science this month. MMM is modelled off the US college basketball championship with students trying to decide the winners between different animals (instead of basketball teams). Stay tuned to see who is the last mammal standing at the end of March.

## *Early Learning*

In the month of February we celebrated Valentine's Day . First we had fun in the Early Learning Post Office, and who knew how much fun building is with red solo cups. We loved playing outside. The class in February we learned a lot about taking care of our teeth. The kids had fun "playing dentist."
