## Principal's Report

Greetings Warner School Community,

March was a whirlwind of excitement here at Warner School, and we've got so much to share with you all! Our senior basketball team competed at the South Zone Championship, giving it their all in a close match against Picture Butte. While the victory slipped through our fingers, we're incredibly proud of their hard work and dedication. Big shoutout to Taylor Harvie for coaching our junior and senior teams with such passion and commitment. You rock, Coach Taylor!

Our elementary Mini-Ball season took place in March, with Warner hosting the wrap-up event on March 28. Huge thanks to Karma McMurray for putting it all together and to John Preston for coaching our young talents

In the world of archery, our Warner crew truly hit the bullseye at the Provincial Championships. Brylee Cronkhite and Liam Pittman soared into the top 5 of their age groups, with Cole Pittman, Jaylen, and Jacey Cronkhite not far behind in the top 10. A round of applause for Keith and Adena Heppler for coaching and representing us at the competition!

As we gear up for April, here's a heads-up: Warner School will be closed from March 29 to April 7 for Easter Holidays. Parent-teacher interviews take place on April 11. Don't forget to reach out and schedule your appointment with your child's teachers.

Speaking of April adventures, we're thrilled to announce that our grades 4 to 7 students will be embarking on an exciting trip to Frank Slide (April 18) and diving into the thrilling world of the Science Olympics (April 23).

Looking even further ahead, mark your calendars for May 4, as Warner School joins the Highway Clean Up Fundraiser. It's a crucial event for our school and our grads, and we need all hands on deck! Parents and students (aged 9 and above), your support means the world to us.

Before we sign off, a heartfelt thank you to every one of you for making Warner School the amazing community it is. Your dedication and enthusiasm light up our halls every single day!

Warm regards,  
Adam Hughes

## Early Learning

We continued learning about health in Early Learning. At the beginning of March the children brought their stuffed animals for a check-up at the “Doctors Clinic.” The children really enjoyed that. The last 2 weeks we have been gearing up for Easter, being a Easter bunny.

## March Madness (K– Gr. 3)

March has been a very exciting time in Kindergarten to grade 3 as we took part in another round of March Book Madness. Each of the classrooms has read 8 books and just like the famous Basketball tournament. Each year Mrs. Hammell and Ms. Hierath have an exceptionally fun time sharing wonderful enriching picture books. The classes vote at each round and the favourite of each pair goes forward. This year's picks to bring forward to our final faceoff are *The Legend of Rock Paper and Scissors* by Drew Daywalt and *After the Fall* by Dan Santat.

*After the Fall* is Caldecott Medalist Dan Santat's picture book about the aftermath of Humpty Dumpty's famous fall--and Humpty's determination to overcome his fear to reach great new heights.

*The Legend of Rock Paper and Scissors* is from acclaimed, bestselling creators Drew Daywalt, author of *The Day the Crayons Quit* and *The Day the Crayons Came Home*, and Adam Rex, author-illustrator of *Frankenstein Makes a Sandwich*, comes a laugh-out-loud hilarious picture book about the epic tale of the classic game Rock, Paper, Scissors.. Student's will be choosing the final winner on the day before Easter break! Wait to find out the results next month!
