## Principal's Report:

Hello Families,

September was a busy month here at Warner! We kicked off three different extracurricular sports, held special events, and experienced some staffing changes.

The Tier 1 girls' volleyball team went undefeated and brought home the championship in their first tournament of the season at the Matthew Halton Showdown in Pincher Creek! As I'm writing this, they are currently competing in another exciting tournament in Vulcan.

The running club is well underway, with students training to compete in the Trout Pond Trot on Oct. 10. Please let Ms. Hierath or Mrs. Cunningham know if you are willing to offer rides to fellow running club members. Soccer practice started this past week, followed by two games. The team won both: one here in Warner and the other in Milk River. The Milk River game ended in a tie, but a winner was decided with a kick-off goal by Tate Doenz.

Warner School participated in the Terry Fox Marathon of Hope on Friday, Sept. 20. The rain held off, and it was a beautiful day for a run. The school raised \$170 for the Terry Fox Foundation. We also held a pancake breakfast for students, staff, and families on Sept. 26, which was well-attended. Great food and good company made for an enjoyable time for all! Sept. 30 was Truth and Reconciliation Day, meaning no school for students or staff. In the week prior, students spent time in class learning about the history and lasting effects of residential schools on Indigenous people.

If you've called the school recently or stopped by, you may have noticed a new person answering the phone or greeting you with a smile. Adena Heppler is our new secretary (or administrative assistant), as Tracy Jones resigned from the position. Adena has worked at Warner School for many years as an educational assistant and has embraced the challenge of her new role with determination and spirit. While we were sad to see Tracy leave, we hope to welcome her back in the future as casual support staff. We wish her all the best!

Remember to follow Warner School on Facebook for updates on sports and school events! Also, feel free to stop by the school anytime to say hello

Take care and be well,

Principal Fettig
