## Principal's Report

January is already well underway, and the new year has brought some changes to our school. Mr. Zink is currently on medical leave, and we have welcomed Mr. Schinbein as his temporary replacement. Mr. Schinbein brings a wealth of experience to this position, having completed his Practicum Semester 3 (PS3) under Mr. Zink last year. We wish Mr. Zink in his recovery.

A big thank you to Cody Cronkhite, Jeff Belisle, and Mattea Pittman, who have generously stepped in to lead the curling program for the remainder of the season. Additionally, Mr. Lockwood, one of our PS3 students from the fall, has returned as an Educational Assistant three days a week while completing his university classes for his Education degree.

### **Upcoming Exam Week**

Next week marks the end of Semester 1, which means exam week for our high school students. Students in grades 10–12 are only required to attend school for their scheduled exams, as there will be no regular high school classes. Please refer to the calendar for the detailed exam schedule:
