Hello Families,

February has been a busy month for sports at Warner School!

Our curling teams competed in Zones in Lethbridge on February 4 and 5. Both the mixed team and the boys' team earned bronze medals! They demonstrated excellent skill and determination while facing tough competition. The curlers will continue practicing for a few more weeks and may compete in another bonspiel.

Junior basketball wrapped up in the first week of February, with Warner Tier 2 winning one playoff game and losing two. Coach Taylor had to step down for the playoffs due to health concerns, and we are incredibly grateful for the time and dedication she put into the team. Junior coach Rowdy VanLoon stepped up and expertly guided the team through their final games—we think he definitely has a future in coaching! A big thank you also to John Preston for supporting him on the bench. It was a great season, with many skills improved.

The Warner Warriors hosted another successful Warner Classic Basketball Tournament! Coached by Darcy Nate, the boys played excellent basketball. They made it to the championship game and fought hard against Taber Christian but came up just short, earning silver for the weekend. Thank you to all the parents, students, and staff for your support and involvement. I received many compliments from coaches, referees, and parents from other teams about the quality of the tournament, the coaches' room, and the concessions. Thank you Natasha for keeping the concession running smoothly. We also had requests for the "amazing moms" at the score table thanks Jenn, Tracy and Tara.

Nola Nagy's halftime half-court shot contest was a big hit! A special thank you to Nola for organizing the event and for creating mementos and a slideshow on behalf of the parents to honor the senior boys on Friday evening.

Keith Heppler is back again this year, running our archery program as a CTF/CTS option. He is also working with the grade 4–5 students a few days a week. Plans are underway for our archery team to compete in provincials in Edmonton later in March.

Next week, students will be off school in celebration of Family Day on Monday and will return on Tuesday, February 25. Teachers will be attending the South Western Alberta Teachers' Convention at the University of Lethbridge on February 20–21. Additionally, teachers and some support staff will participate in a Professional Development Day at the Horizon School Division on Monday, February 24. I hope everyone enjoys some quality time with their families!
