Principal's Report

Hello Families,

It's hard to believe that this is the final Principal's Report of the year! Warner School is busy as we count down the final days of the school year. Graduation is a time-honored and special event at Warner, planned and coordinated by the grads and their families. On May 30, we celebrated the graduation of the Class of 2025! **A special thank you** to the graduates and their parents for all their hard work throughout the year—fundraising, decorating, and organizing such a memorable evening.

Staffing

Mrs. Cunningham has accepted a math/science teaching position at W.R. Myers in Taber. We are sad to see her go, but the new role will be better for her work-life balance as she resides in Taber. We sincerely thank her for her years of service and dedication to Warner School and wish her all the best in her new position.

In May, I advertised her position and received applications from several qualified candidates. After a thorough interview process, I am pleased to announce that Mr. Nathan Lockwood has accepted the role. Mr. Lockwood has shown great loyalty to Warner School. He completed his PSIII student teaching practicum last fall under the mentorship of Mrs. Cunningham and Mr. Zink. Throughout the winter and spring, he worked as an educational assistant while completing courses for his university degree. In April and most of May, he worked as a substitute teacher, covering part of Mrs. Cunningham's leave.

Athletics

Warner students have done very well in track and field this year! Aydin Herget, Isaac Pittman, and Danny Krahn all performed well at our divisional track meet—**Aydin placed first in javelin, Isaac took second in javelin and discus, and Danny took second in shot put.** This qualified all three athletes for high school zones, which took place at the University of Lethbridge on May 29. All three athletes performed well, with **Isaac taking first in javelin**, qualifying him for provincials in Calgary on June 6–7. We wish him the best of luck!

Around our School

We sent five junior high students to the Horizon Division track meet in Taber on May 28. Warner students again excelled—**Jacey Cronkhite placed first in the girls' 100m and 200m, Avery Pittman placed first in hurdles, and Sam Miller placed second in high jump.** This qualified these athletes for zones in Medicine Hat on June 3. We wish them the best of luck!

Pickleball continues to be popular at Warner School. Mr. Zink is taking 11 athletes to compete in the Picklefest tournament on Friday, June 6, in Lethbridge! Our in-school lunchtime tournament will continue this week now that grad festivities are complete. It has been a lot of fun so far, with some of the teachers even forming teams.

End of the Year

Friday, June 13 marks the last day of school for K-9 students and the last day of regular classes for high school students. I would like to personally invite you to our end-of-year celebration taking place from **10:30 a.m. -12:30 p.m.** We will have hotdogs and fun activities, planned in part by our student leadership team. Stay tuned for more details as we get closer to the event. On **June 12** in the afternoon, the grade 8/9 class is planning a field day with track-and-field style events for K-5 students.

Next week (June 9–13), students in Grades 6–9 will be writing either a PAT or a unit final each morning. Please ensure students are well-rested and arrive at school on time, as exams will start by 9:00 a.m. High school final exams and diploma exams will take place from June 16 to June 24. Please refer to the calendar in this newsletter or on our school website for the full exam schedule.

Summer

Report cards will be mailed home on June 26. The first day of school is August 27! I look forward to working in collaboration with you all again. I want to take a moment to thank the Warner School community for welcoming me into your school. I am truly grateful for the opportunity to be part of such a vibrant and caring community. I hope everyone has a restful and relaxing summer!

Take care and be well,

Debbie Fettig - Principal
